

Genuine Opportunity With a Patient Base to Take Over

Self-Employed [OR](#) Employed Terms Available

Winner of Employer of the Year 2018

We have a full-time position but we'd be happy to try to help facilitate your work-life balance or family commitments, if you need part-time.

New graduates and experienced chiropractors welcome. Overseas graduates also welcome, we're registered with UK Border Control so can offer sponsorship.

Most importantly we're looking for the right person, who enjoys being busy and making a difference to people. We're looking for an ethical chiropractor with high standards and values delivering high quality patient care.

WHAT THE VACANCY IS:

- Busy award-winning, very well-established clinic
- Patient base to take over
- Outstanding support, ethical mentoring and fun team

ABOUT YOU:

- You must be enthusiastic about chiropractic and keen to be an excellent chiropractor
- You'll need to live in (or close to) Eastbourne
- You'll be supported by well-trained, award-winning CAs who are enthusiastic about their work, your patients and chiropractic
- You'll be part of a great team of chiro's who work hard, support each other, socialise and have fun

ABOUT US:

We're a nice clinic 😊

- Our values are Community, Health and Success
- We genuinely care about our team and our patients
- You'll be treated like a person, not "*just another associate*" - we're not a chain
- Eastbourne is a seaside town, with great schools and outdoor opportunities plus easy links to Brighton/London

Great reputation & genuinely caring

- We're a large, patient centred multi-disciplinary clinic, our team have decades of experience
- With over 10,000 patients on our books our growth has been based on our results, with most of our patients being recommended by word of mouth

- We have an excellent reputation locally, and within the chiropractic profession
- We recognising the importance of advice and lifestyle as part of modern, evidence-informed wellness care

Experienced and caring mentoring support

- Weekly DC Meetings and case discussions
- Mentoring and coaching support where needed
- Registered with the Royal College of Chiropractors as a PRTS Mentor since 2005
- Our chiropractors have decades of experience, with a range of specialities, happy to help you settle into the clinic

We'll help you reconnect to your passion for chiropractic, with a work/life balance to match

Last year I was blessed when the team decided to nominate me as **Employer of the Year 2018**. They wrote supporting statements and I was over-the-moon to have won.

We also do work for charity, carrying out free care for war veterans, health and posture checks for local school children as well as other smaller ventures.
